**Equestrian Canada
Statement of Principles**

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to the humane treatment of horses in all activities under its jurisdiction. All persons shall be committed to:

- Upholding the welfare of all horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect, and compassion, and that they never be subjected to mistreatment;
- Ensuring that all Equestrians including owners, trainers and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- Providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives;
- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers and competitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competitions; and
- Actively promoting the development of and adherence to competition rules and regulations that protect the welfare of the horse.

The Standard by which conduct or treatment will be measured is that which a person who is informed and experienced in generally accepted equine training and competition procedures would determine to be neither cruel, abusive, nor inhumane.

PERSON RESPONSIBLE

The Person Responsible (PR) for a horse must be an adult who has, or shares responsibility for the care, training, custody, and performance of the horse and who has official responsibility for that horse under EC or USEF Rules. The PR is liable under the penalty provisions of the applicable EC or USEF Rules for any rule violations. The Person Responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed by himself/herself or by any other person with authorized access to the horse in the stables, elsewhere on the grounds, or while the horse is being ridden, driven or exercised. [The Person Responsible must hold a valid EC Sport License in good standing at the same level or higher in which the horse is competing. However, when the competitor is a junior, the competitor cannot be the Person Responsible and the Person Responsible may be the trainer, the owner of the horse, or a parent/guardian who must be at minimum an EC or USEF member in good standing.]
